EXPLORE THE DOSATRON APP

This is essential for managing and optimizing your pump's performance.

Download the Dosatron App from the Apple App Store or Google Play Store. You can also visit :

<https://www.dosatron.com/en-us/mobile>.

HOW DOES IT WORK?

Set up your account or log in if you already have one.

Locate the Serial Number edged on the body of your Dosatron. Press "My Setup" button on the app and tap the "+" to add your Dosatron pump.

Scan the QR code located on your pump next to the serial number.

You now have access to all resources, including product updates, technical support and more.

When is time to perform your maintenance, visit our store directly from the app and find the kits specific to your Dosatron. There is no miss!
